

Bryerley Springs Equestrian Centre

Lesson Schedule April 2023

We are delighted with how popular our group lessons are and, in light of this, we are adding additional groups to our schedule. There will also be some changes to our current group lesson times to accommodate our additional group lessons.

As of April ALL of our 30 minute group lessons will be reduced to 6 riders per session to ensure that riders are getting the most out of their lessons. Group lessons are a great way to save money, make new friends and learn the skills of riding safely around other horses and riders.

All riders must have had an assessment lesson before joining a group.

Groups not for you? Not a problem. We still have plenty of availability for privates on Saturday afternoons and throughout the week. You can book private sessions for 30 or 45minutes.

For our Pony Club members we have added a second weekly pony club rally!

Want to learn more about the pony club and how to join? Just visit the [Pony Club website](#)

Please see the timetable below for weekly lessons...
