Lesson Schedule January 2024

In the new year (2024) there will be some changes to our current group lesson times in light of our ever growing and ever changing business. We are thrilled with how popular our group lessons have become and we look forward to welcoming both regular and new clients joining us in the new year.

Group lessons are a great way to save money, make new friends and learn the skills of riding safely around other horses and riders. All riders must have had an assessment lesson before joining a group. Groups not for you? Not a problem. We still have plenty of availability for privates on Saturday afternoons and throughout the week. You can book private sessions for 30 or 45minutes.
