Own a pony day – Showjumping special

This session is suitable for both our more experienced riders and also for those who are only beginner. A fun day out learning about the rules of show jumping, designing a course and even having a go at jumping the course yourselves!

Riders with little or no experience are welcome to join in and will complete the course with guidance from a leader and poles very low to the ground

What our pony day – Showjumping special includes:

- Learn how to catch, groom and tack up your pony
- Design and set up a showjumping course

- Learn about course walks, turns, lines and the rules of showjumping.
- Riding lesson learning about straightness, turns and the jump position.
- Mini show jumping competition within your group.
- Placing rosettes
- Hats are available free of charge

Own a pony day – Poletastic

It's time to get fancy with the footwork and test your pole work skills. Poles are a brilliant way for riders to improve balance, straightness and confidence as well as having lots of fun.

What our pony day –Poletastic includes:

- Learn how to catch, groom and tack up your pony
- 1hr of riding
- Improve your riding position, balance and confidence through our series of pole work exercises
- Make friends and get involved with working as a part of a team
- Hats are available free of charge

What will I need?
