Volunteer Commitment

Training to be a volunteer does not include any commitment. However, the more regularly you can attend the more you will develop your skills, knowledge and confidence.

So how does it work?

We have set up a Bryerley Springs volunteer page on Facebook which you will be invited to join after attending your training session. Here we will post updates on up-and-coming dates/events in which we require volunteers to attend. At times there also may be opportunity for volunteers to secure a regular place with us attending weekly.

Volunteer sessions will need to be booked via the online booking system (this will be free of charge) however ensures that we do not have too many volunteers attend at one time.

Bonus's: There are bonus's on offer for volunteers such as free group lessons and café tokens for some volunteer activities.
